2. And whereas the said Company did apply, on the 31st July, 1920, for a water licence to divert and use six (6) cubic feet of water a second from Nakusp Creek, a tributary of Upper Arrow Lake for power purpose.

3. And whereas the said Company has, after due notice by petition filed the 30th August, 1920, petitioned for the approval of its undertaking.

This is to certify that the proposed undertaking of the Nakusp Electric Light and Power Company, Limited, as set out in its said petition (in so far as the undertaking relates to the diversion, carriage, and use of water for the generation of power and the transmission, sale, barter, and exchange of the power generated from such water), is hereby approved subject to the terms and conditions of the "Water Act, 1914," and to the following additional terms and conditions:—

Any licence or licences which may be hereafter issued in respect of the said application shall, notwithstanding the issue of this certificate, be subject to readjustment by the Board of Investigation.

The construction of the works for the diversion, carriage, and use of the whole of the water applied for shall be commenced on or before the 1st day of June, 1921, and the said works shall be completed and in actual operation on or before the 1st day of November, 1923.
